

Cooperative Members add a JOINT NAME to Your Account for FREE!

You might be surprised to learn that if you've never given your authorization to add a joint name to your account, DRN cannot allow him/her (whether it be a spouse or roommate) to vote at the annual meeting or make changes to your account. DRN does this to protect your account from any unauthorized changes. By adding a joint name, the primary person is allowing the joint name to add services, inquire about billing, charges, etc.

Call 877-559-4692 now to add a joint name to your account, or fill out the information below and return it to DRN.
